Count Joe's "Blah, Blah, Did You Know"

(to be read with your best Slavic accent) Blah, Blah, did you know, that the most popular months for Parker Towing Company crew members to be born are May, September, and October. Not entirely considerate if you ver to ask Count Joe. Vy must the stork interrupt the season of the football? Vy not during the season of the badminton, the horseshoes, or the bowling? And...vy must the nuptials be scheduled during the season of the football? Blah, Blah, I suppose I shall have to address that faux pas at a later time.
